CODE SECTION: Administrative Policy and Procedure

TOPIC: Overtime Equity

PURPOSE/REASON: Provide written policy for overtime equity (Express Inspections). Everyone shall have the same overtime opportunity provided they are qualified for the requested work

INTERPRETATION:

- For field inspection the area inspector should get first rite of refusal due to the fact that he would be familiar with his area.
- The area supervisor would be responsible for assigning the overtime (per the contract) in the event the area inspector is not available.
- Any inspection after 5:00 PM would be considered scheduled overtime.
- If the area supervisor cannot find someone to cover the express inspection he shall contact one of the other supervisors for assistance.
- If an inspector refuses an express inspection on he shall not be considered for a scheduled overtime inspection on that particular job for that day or the following weekend.
- For permits and plan review it shall be the supervisor's responsibility to assign the overtime on an equitable basis based on the type of work that is requested.
